About Me

MBA candidate in Fashion & Lifestyle Business Management with a foundation in Psychology, Sociology and Economics. Combines quantitative acumen in merchandise buying, range planning and sales analysis with qualitative expertise in consumer behaviour and trend forecasting. Seeking to build a career at the intersection of data-driven buying and commercial fashion strategy.

Skills

- Domain:** Trend Forecasting (WGSN); Merchandise Buying & Range Planning; Sales Performance Analysis; Consumer Behaviour & Strategy; Market Research & Storytelling
- Technical:** Canva (Advanced); Tally · Microsoft Office 365 (Excel, PowerPoint); Email & WhatsApp Marketing
- Soft Skills:** Cross-functional Collaboration; Data-Driven Decision Making; Creative Direction; Brand Strategy

Major Projects

- 01 · Consumer Survey & Brand Map | CK & Tommy Hilfiger**
191-respondent retail study across 3 Bangalore malls — profiling spend personas and benchmarking both brands against 10+ competitors to guide buying and VM strategy.
- 02 · SS27 Buying Direction | Tommy Hilfiger**
Data-backed buying direction across fit, colour, and discount trends. Flagged Polo & T-shirt as margin-risk (38–39% avg discount) with SKU-level recommendations for SS27.
- 03 · Creative Direction & Test Shoot | Calvin Klein**
Fashion 360 Agency Led a full CK test shoot across 10+ categories — concept, lighting, styling, and model direction. Deck presented at HOD level.
